ECONOMIC DEVELOPMENT & SUSTAINABLE PEACE

About this Event

An online international documentary film screening series presented by the Rotary Peace Fellowship Association to address the opportunity for economic development towards long term sustainable peace.

The initiative will mark the United Nations International Day of Peace 21 September 2020 and kick off with a program from the Lao People's Democratic Republic entitled

“Stories from the Laos-China Train”

Three films from young Lao Filmmakers exploring the transformative impact of the new high speed train.
